

Dear Sir/Madam,

The designated operator of **AZERBAIJAN**, Azerpost L.L.C., asks me to inform other Union member countries and their designated operators of the following:

“We have recently noticed cases of false representation and participation, on behalf of Azerbaijan, by individuals or legal entities having no relationship with the governmental authorities or designated operator of that Union member country at various philatelic events.

“In that regard, Union member countries and their designated operators are kindly asked to take note that Azerpost L.L.C. and Azermarka L.L.C. are the only entities officially authorized to represent Azerbaijan at any such philatelic event. Therefore, Union member countries and their designated operators should henceforth refrain from issuing invitations for the aforementioned philatelic events to any other entities purporting to represent Azerbaijan.

“Azerpost L.L.C. thanks all other Union member countries and their designated operators for their cooperation and support.”

Yours faithfully,

Jean-Alexandre Ducrest
Director of Logistics
